CAPSA is a nonprofit domestic violence, sexual abuse and rape recovery center. Jan served on the CAPSA's Board of Directors for more than 12 years. Jan's passion for helping empower people to become independent and leadership contributed to CAPSA being able to build Independence Place (a CAPSA owned neighborhood), establish an endowment, supported expanded therapy services, and create the zero turn away fund.

CAPSA has hosted a Golf Tournament for more than 30 years and it was one of Jan's favorite events. CAPSA is proud to rename this tournament to the Jan Miller Memorial Golf Tournament.

The first Jan Miller Memorial Golf Tournament raised over \$55,000 (double the budgeted amount). Thank you to all of the sponsors and participants for your support of CAPSA and honoring Jan's memory.
