

## 110th Annual Black & White Days

### Parade Directions for May 17th at 5:00 pm

I will be driving the parade line-up and staging area. Flag me down or give me a call with any questions.

Parade officials will line up at the beginning of the parade route on 600 S. This is the actual starting point of the parade.

All other parade participants will start lining up at 800 S on State Street.

Because State Street is narrow, we ask all participants to enter from the South at 9000 North along Highway 91. There will be a sign at the intersection.

Line-up is strictly in the order you arrive.

Please do not block any driveways along State Street with your parade entry. Parking is not available along the staging area.

We suggest you park your travel vehicles at White Pine to be picked up at the end of the parade.

**Please note that at the end of the parade route, you will be turning North at the intersection of Main Street and 100 W and heading toward White Pine Elementary.**

Beginning at 4:30 pm, South bound traffic along State Street will be stopped at 600 S State. If you have riders for your float that need to be dropped off, they must be dropped off between State Street and 100 East. Please be in line by 4:45 pm. No vehicles are allowed to enter from the East.

As in years past, horse groups are encouraged to turn onto 600 S Hwy 91 (North Cache School) and unload just East of the parade start (between State and 100 E). Bands may unload and line-up in the parking area at North Cache.
